

HUBMASTER MONTHLY REPORT

JUNE 2012

- I. **June 1st** is the deadline for all Consolidated Post Reports to be into DEPARTMENT. Please do all you can to accomplish this very important report for our Organization.
- II. Posts which have not submitted the **Post Certification Form** to Department Headquarters by **July 31st** will **not** be eligible for **any** Post Awards!!! Please do your post and membership a service and get these in to make sure you can receive what you earn.
- III. July 4th is coming up and I hope all posts are involved in the holiday that marks the beginning of our freedom in America. If there is nothing going on in your city commemorating same then I suggest who better qualified to start a celebration than the American Legion Post?
- IV. Now is also the time for your new officers to be elected and installed by a district representative. If you do not presently have a district representative to install your officers and you need assistance, please contact your District Commander for the help you will need. The attributes of tradition and formality that have kept the American Legion strong through the decades needs to be embraced by our local posts. You will see that it will serve you well with your membership.
- V. June wraps up the 2011-2012 membership year. The final step is the **Department Convention July 11th thru July15th** in **HOUSTON** this year. Please do all you can to send delegates to the convention to give your post a voice in the many important matters that will come before this Department Executive Committee like **Redistricting**. You can be heard through your District Officer and your delegation. Also on tap are a couple of **By Law** changes. And we have an election which has a couple of contested positions and everyone's voice needs to be heard. So you see this is an important Convention. Let us hear what you have to say.

SEE YA AT THE CONVENTION!!!!
