The American Legion of Texas Strategic Plan 2024 Briefing	Enclosure A

Purpose

Service to our veterans, their families and their communities is as solid a plan today, in a period of epoch-making change, as it was in 1919 when the founding fathers of The American Legion met in Paris.

They were true visionaries. Much of The American Legion's success rests on its understanding that the fight for veteran's rights - past, present or future - is never-ending. While our purposes may remain unchanged, our capabilities must not. The environment is changing; we must stay in front of that change to be the nation's advocate for veterans.

For success we must continue to provide first rate service to our veterans in the 21st century. The basis for this blueprint is the Preamble to the Constitution of The American Legion which was finalized at the St. Louis caucus in 1919 and reaffirmed at Minneapolis in 1994. This declaration reaffirmed the principles on which our great organization was developed.

And the method for applying this blueprint for success to American Legion activities has not changed either. Personal contact at every level of leadership within The American Legion is the catalyst that has made us successful in the past and will make us successful in the future.

Since our founding fathers gave us a sound, clear focus, we need to build on this direction as we seek every opportunity to excel in growth and membership in the next century.

The purpose of this plan is to provide the appropriate guidelines for a continuity of effort throughout the Department of Texas, at every level, to ensure that meaningful objectives are established, tracked, analyzed, and met, regardless of the inevitable changes in the leadership hierarchy.

This plan will articulate the Department's Desired Endstate that includes the Department Mission, Vision, Priorities, Core Values, and Goals. It will not replace the Constitution & By-Laws at any level, but is intended to fully complement any existing, or future, documents that are directive in nature.

Desired Endstate

Provide first rate service to The American Legion members and families with support that serves their needs; promoting a better understanding of the principles of democracy; inculcating among all people a higher appreciation of the benefits of American citizenship; fulfilling our commitment to community, state and Nation; and providing appropriate guidelines for a continuum of effort throughout the Department of Texas to ensure meaningful objectives are established and met.

- Every level of the Department will adopt and follow the mission and vision statement.
- Every level of the Department will exemplify the ideals of The American Legion as set forth in the preamble.
- Every level of the Department will be a value-based organization, through annual or periodic self-evaluation techniques using as described in the Post Officers Guide.

- Division and District Commanders will take an active role in assisting Posts to maintain a current certification of Post Officers.

- Division and District Commanders will ensure all Texas Posts complete and submit annual reports as described in the Post Officers Guide.

Mission Statement

The American Legion's mission statement, as adopted by the National Executive Committee in October 2020, is "To enhance the well-being of America's veterans, their families, our military, and our communities by our devotion to mutual helpfulness."

Vision Statement

The American Legion's vision statement is "The American Legion: Veterans Strengthening America."

Priorities

Focus on service to Veterans, Families, and to the community. Legion officers at every level will lead the way in reinforcing the Vision.

Core Values

The American Legion's Core Values are as follows:

A Veteran is a Veteran – which means The American Legion embraces all current and former members of the military and endeavors to help them transition into their communities.

Selfless Service – which means The American Legion celebrates all who contribute to something larger than themselves and inspires others to serve and strengthen America.

American Values and Patriotism – which means The American Legion advocates for upholding and defending the United States Constitution; equal justice and opportunity for everyone; and discrimination against no one individual. These values are nested within youth education, responsible citizenship, and honoring military service by observing and participating in memorial events.

Family and Community Engagement – which means The American Legion meets the unique needs of local communities.

Advancing the Vision – which means The American Legion educates, mentors and leads new generations of Americans.

Honor Those Who Came Before Us – which means The American Legion pays perpetual respect for all past military sacrifices to ensure they are never forgotten by new generations.

Goals

Goals – The Department, Divisions, Districts and every Post take the initiative to be proactive, growth oriented with informed, trained and knowledgeable members who understand and communicate the programs and principles of The American Legion to all eligible veterans, military personnel, family members, community and Post members. These Goals can be accomplished following five synchronized Lines of Effort (LOE) that enables The American Legion to collectively strive towards the Department’s desired Endstate:

LOE #1: Veterans Affairs & Rehabilitation - Respond to quality of life needs of all Veterans & their families

- Make “mentorship” a hallmark program among Post members, community, and families
- Establish a 5-year membership plan and track progress; embrace the various elements of a strategic plan
- Account for all 990’s and other financial paperwork

Additional Objectives to Consider in Support of LOEs

- **Analysis of Measurable Data:** Educate Commanders on how to interpret measurable data that is tied to the Strategic Long Range Plan in order to improve programs and processes. This will provide a means of creating and measuring short, intermediate, and long range goals to ensure everyone is focused on the LOEs, Objectives, goals, and the overall endstate within the Texas Strategic Plan.

- **Automated Lessons Learned:** Create a Post-level Lessons Learned database to capture great practices throughout Texas.

- **Measures of Success:** Develop new or improved sets of metrics for all levels of The American Legion to emphasize those areas that have the greatest impact on the success of the Department. Categorize the areas as immediate, short range, or long range; conduct or create necessary internal training to ensure that the concepts of change are fully embraced.

- **Build the Bench:** Create a mentorship & training program to help generate more leaders among Post populations.

- **Continuity Files:** Aggressively push the concept of developing and distributing “Continuity Files” prior to annual Post, District, and Division-level Installations. Necessary guidelines for continuity from one administration to another are crucial to further success at every level within the Department of Texas.

- **Fiscal Responsibility:** Ensure fiscal responsibility is exercised at all levels of The American Legion, and that assistance is made available in the areas of budgeting, accountability, internal review, expense control, reporting, fundraising, or any other area as requested.

- **Standardized Data Management:** Create a knowledge management program at the different levels of The American Legion and create measures for immediate, short and long term actions/change.
